THIS SCHEDULE IS SUBJECT TO CHANGE.

Face-to-Face is the only ACBL Club Platform that allows Club Championship games – 2 per session, every quarter. You will also be rewarded with an Upgraded Club Championship game for your players each time you recruit 10 new ACBL members!

New for 2025, PopUp events are reserved only for Face-to-Face Clubs. No sanction required to run these 50% Red events. F2F has 2 full weeks of Stardust games, too. Clubs must hold sanctions for the sessions on which you hold these 25% GOLD point events.

When your Unit participates in a STaC, you may run these games. They award 100% silver, and your Unit may register to hold a STaC a month. Units may have up to 2 Royal STaCs in addition. Every Royal STaC point awards ¼ Gold, ¼ Silver, ¼ Red and ¼ Black! You may register for sessions that you haven't sanctioned. You need a 25-mile buffer between you and the next club running a game that session, or with Unit/sponsor approval.
